15 Acquisitions and disposals

15.1 Acquisitions

15.1.1 Taropa Technologies Proprietary Limited (Taropa)

On 1 March 2017 BCX acquired the entire issued ordinary share capital of Taropa.

The total purchase consideration was R13 million. The consideration is made up of R8 million cash and R5 million deferred consideration.

To the extent that Taropa's profit after tax exceeds the warranted profit, the seller will earn additional consideration amounting up to R5 million, payable in the 2019 and 2020 financial years.

Taropa provides innovative business solutions based on information and communication technology and runs ICT systems and manages products, services and solutions for a wide range of customers.

The merger will enable BCX to expand its existing offerings while, at the same time, providing scale in IT services, which will help reinforce Telkom's core connectivity business and enhance BCX's strategy.

The acquisition has been accounted for using the acquisition method. The date of acquisition is 1 March 2017 and the financial statements include the Taropa results for the one month ended 31 March 2017.

The fair value of the identifiable assets and liabilities at acquisition date were determined as follows:

	2017 Rm
Assets	
Property, plant and equipment	1
Trade and other receivables	15
Inventories	18
Cash and cash equivalents	2
Total assets	36
Liabilities	
Trade and other payables	29
Income tax payable	1
Total liabilities	30
Total identifiable net assets at fair value	6
Non-controlling interest at proportional share of net assets	–
Goodwill arising on acquisition (provisional)	7
Purchase consideration transferred	13
Analysis of cash flows at acquisition:	
Net cash outflow on acquisition of the subsidiary (included in cash flows from investing activities)	
Cash paid	8
Cash acquired	(2)
Net cash outflow on acquisition	6

At the date of the acquisition, the fair value of the trade receivables approximated its carrying value. The gross amount of trade receivables is R13.9 million.

From the date of acquisition, Taropa has contributed R9.3 million of revenue and R0.33 million to the net profit before tax from the continuing operations of the BCX group. If the acquisition had taken place at the beginning of the year, BCX revenue from continuing operations would have been R14 079 million and the BCX group profit from continuing operations for the period would have been R1 068 million.

The goodwill recognised is primarily attributed to the expected synergies and other benefits from combining the assets and activities of Taropa with those of the BCX group. The goodwill is not deductible for income tax purposes.

Transaction costs of less than R1 million, which includes issue costs, have been expensed since the inception of the acquisition. These expenses were recognised in service fees.

The fair value of intangible assets and goodwill has been measured on a provisional basis pending the completion of an independent valuation.

If new information is obtained within one year of the acquisition date on facts and circumstances that existed at the acquisition date, the above amounts will be revised.

15.1.2 African Arete Proprietary Limited (African Arete) - continued

On 1 November 2016 BCX acquired the entire issued ordinary share capital of African Arete.

The total purchase consideration was R19 million, which was settled in cash.

African Arete provides innovative business solutions based on information and communication technology and runs ICT systems and manages products, services and solutions for a wide range of customers.

The merger will enable BCX to expand its existing offerings while, at the same time, providing scale in IT services, which will help reinforce Telkom's core connectivity business and enhance BCX's strategy.

The acquisition has been accounted for using the acquisition method. The date of acquisition is 1 November 2016 and the financial statements include the African Arete results for the five months ended 31 March 2017.

The fair value of the identifiable assets and liabilities at acquisition date was determined as follows:

Cash paid	19
Net cash outflow on acquisition	19

At the date of the acquisition, the fair value of the trade receivables approximated its carrying value. The gross amount of trade receivables is R6.5 million.

From the date of acquisition, African Arete has contributed R21.2 million of revenue and R1.2 million to the net profit before tax from the continuing operations of the BCX group. If the acquisition had taken place at the beginning of the year, BCX revenue from continuing operations would have been R13 905 million and the BCX group profit from continuing operations for the period would have been R1 066 million.

The goodwill recognised is primarily attributed to the expected synergies and other benefits from combining the assets and activities of African Arete with those of the BCX group. The goodwill is not deductible for income tax purposes.

Transaction costs of less than R1 million, which include issue costs, have been expensed since the inception of the acquisition. These expenses were recognised in service fees. The fair value of intangible assets and goodwill has been measured on a provisional basis pending the completion of an independent valuation.

If new information is obtained within one year of the acquisition date on facts and circumstances that existed at the acquisition date, the above amounts will be revised.

15.1.3 Relational Database Consulting Proprietary Limited (RDC)

On 1 April 2016, Business Connexion Group Limited acquired the entire share capital of RDC.

The total purchase consideration amounted to R30 million, funded by a cash payment of R16 million and a deferred purchase consideration of R14 million payable on achieving financial targets.

RDC is a market leader in Database and Operating System administration with a strong focus on Oracle.

The merger will enable the group to expand its existing offerings while, at the same time, providing scale in IT services, which will help reinforce the group's core connectivity business and enhance convergence strategy. Their expanded range of services includes Oracle E-Business Suite, Oracle Fusion Middleware, Oracle Solaris Support and Oracle Sales.
